

# LITHIUM EXPLORATION IN CANADA

November 2022

## COMPANY OVERVIEW

Vision Lithium is a junior exploration company focused on exploring and developing high quality battery mineral assets including lithium and copper in safe jurisdictions, primarily Canada. The Company is led by skilled and qualified mineral exploration and business professionals with a deep understanding of the lithium battery materials market which is driven by lithium-ion batteries. Vision Lithium is committed to discovering new world class assets and bringing these assets to production, starting with its flagship project, the Godslith lithium property located in Manitoba, the newly acquired Cadillac Lithium property, the Sirmac lithium property and the Dome Lemieux copper property located in Québec Canada, as well as its polymetallic properties (Cu-Zn-Ag, Ni-Cu-Co) in New Brunswick.

Properties	Commodity	Ownership	Area (ha)
